

HEALTH SCIENCES & TECHNOLOGY DEPARTMENT

Health Sciences & Technology at Dunwoody focuses specifically on the Radiologic Technology program, which prepares students to enter the healthcare industry as radiologic technologists who oversee X-rays, CT scans, and other radiologic procedures. Working in both classroom and lab settings, students gain the skills to use the latest in imaging technologies, including digital X-rays and CT scans. They also complete rotations in clinical settings.

Instructors are industry certified and Dunwoody's program is accredited by the Joint Review Committee on Education in Radiologic Technology. Graduates earn an associate of applied science degree.
