

COURSE DESCRIPTIONS

A

- Architectural Drafting & Design (ARCH) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/arch/>)
- Arts (ARTS) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/arts/>)
- Auto Collision Repair & Refinishing (ABDY) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/abdy/>)
- Automated Systems & Robotics (ASRO) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/asro/>)
- Automation Controls & Engineering Technology (AENT) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/aent/>)
- Automotive Service Technology (AUTO) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/auto/>)

B

- Biology (BIOL) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/biol/>)

C

- Chemistry (CHEM) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/chem/>)
- Cloud Engineering Technology (CLDE) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/clde/>)
- Communication (COMM) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/comm/>)
- Computer Engineering (CENG) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/ceng/>)
- Computer Networking Systems (CNTS) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/cnts/>)
- Construction Management (CMGT) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/cmgt/>)
- Construction Sciences & Building Tech (CSBT) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/csbt/>)
- Cyber Defense (CDEF) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/cdef/>)
- Cybersecurity (CYBR) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/cybr/>)

D

- Design for Manufacturing 3D Printing (3DPT) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/3dpt/>)

E

- Electrical Const Design & Management (ECDM) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/ecdm/>)
- Electrical Construction & Maintenance (ELEC) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/elec/>)
- Electrical Engineering (EENG) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/eeng/>)
- Electronics Engineering Technology (ELTT) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/eltt/>)
- Engineering (ENGR) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/engr/>)
- Engineering Drafting & Design (MDES) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/mdes/>)

G

- General Science (GSCI) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/gsci/>)
- Graphic Design (GRDP) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/grdp/>)

H

- Honda Professional Auto Career Training (PACT) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/pact/>)
- Humanities (HUMN) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/humn/>)
- HVAC Installation & Residential Service (HEAT) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/heat/>)
- HVACR Systems Servicing (SERV) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/serv/>)

I

- Industrial Engineering Technology (IENG) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/ieng/>)
- Interior Design (IDSN) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/idsn/>)

M

- Machine Tool Technology (MACH) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/mach/>)
- Management (MGMT) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/mgmt/>)
- Mathematics (MATH) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/math/>)
- Mechanical Engineering (MENG) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/meng/>)

P

- Philosophy (PHIL) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/phil/>)

- Physics (PHYS) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/phys/>)
- Power Construction & Engineering Technology (PCET) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/pcet/>)
- Psychology (PSYC) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/psyc/>)

R

- Radiologic Technology (RTEC) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/rtec/>)

S

- Social Science (SOC) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/soc/>)
- Social Science (SSCI) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/ssci/>)
- Software Engineering (SENG) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/seng/>)
- Speech (SPCH) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/spch/>)
- Surveying & Civil Engineering Technology (SCVL) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/scvl/>)

T

- Toyota's Technician Trng & Educatn Ntwrk (TTEN) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/tten/>)

W

- Web Programming & Database Development (CWEB) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/cweb/>)
- Welding Technology (WELD) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/weld/>)
- Writing (WRIT) (<https://catalog.dunwoody.edu/catalog-student-handbook/course-descriptions/writ/>)
