

SOCIAL SCIENCE (SOC)

SOC3100 | Workforce Diversity Issues | Lecture (3 Credits)

Examine theories and practical ideas about diversity in organizations. Explore the historical basis of diversity in the United States, legislation related to diversity and current trends. Characterize the experiences of diverse groups in the areas of race, gender, nationality, age, disability, ethnicity and religion. Identify and practice strategies to overcome conflict in the workplace, as well as reducing discrimination and increasing equality.
